# bar service

For your next private party, wedding, open house, or corporate event, rely on Twisted Cocktail's top-notch bartenders to make sure your event is top-shelf and totally stress free. Our delightful and fun full service bartending staff will mix, shake, and pour the night away so you don't have to.

Twisted Cocktail is good for what Ales you. That's why our team members are customer service specialists who understand that the bar is the hub of the party.

Our crafty and creative crew will keep your guests happy and entertained throughout the night so you can focus on what matters – FUN!

Whether you are providing simply beer or wine, or a full bar with various cocktail selections, our licensed and experienced bartenders will take care of everything from start to finish. We are there so you can be a guest at your own party. We'll ensure your event is the one they are still talking about next year.
